

Story Flow

Who We Are → The Problem → The Solution → The Future (AI) → Proof → Action

Fold 1 — Hero Section

Purpose

Immediately answer:

- Who is Zeneesha?
- What do we do?
- Why should I care?

Visual

Workday lifecycle visual:

Implementation → Support → Optimisation → Automation & AI

Sub Fold 1A — Trust Bar

Highlight **Workday Service Partner** positioning prominently.

Immediately below the hero.

Heading - Trusted by Leading Organisations (center aligned)

- Client logos carousel. (bigger)
- Stats

Fold 2 — The Challenges After Go-Live

Purpose

Create empathy.

Make visitors think:

"That's exactly what we're experiencing."

Right Side

Problem cards with a more storytelling format

Fold 3 — How Zeneesha Helps

Purpose

Show the solution and services together. (not like the current services layout but think out of the box)

Supporting Visual

Simple lifecycle graphic connecting all 4 services.

Fold 4 — AI & The Future Of Workday

Purpose

Position Zeneesha as forward-thinking.

Keep it concise.

Fold 5 — Results That Matter

Purpose

Proof.

Combine case studies and testimonials (not just 1 but include all).

Fold 6 — Final CTA

Purpose

Single conversion goal.

Design Principles

Increase

- ✓ Storytelling visuals
- ✓ Infographics
- ✓ Breathing space
- ✓ F shape page maintenance
- ✓ Customer-centric messaging
- ✓ Interactive case studies
- ✓ Simple yet professional sentence framing

Reduce

- ✗ Large text blocks
- ✗ Generic service descriptions
- ✗ Company-focused messaging

Note

- Check for fonts uniformity
- Explicitly position the **health check as complimentary/free**.
- Add professional wording review across the homepage
- Replace generic CTAs such as "See Our Services" with more professional wording.
- In the menu cta - have a more friendly cta like "Join Us for a Coffee Chat"
- Introduce **curiosity-building elements** to improve scroll engagement.
- Make the **4R framework** more visual and memorable.
- Review navigation/header to improve visibility of **Workday partnership**
- Remove UK. EMEA mention in the menu
- In the footer - check address, office hours (9 to 5), remove uk.emea mention
- Review lead routing process before implementing direct WhatsApp contact. Consider menu-based qualification.
